

NATURE'S FARM CAMP

A week-long sleep away summer camp where kids help run the farm while immersed in fantastic food and outdoor adventure.

WHAT KIDS GET TO DO:

GROW plant, tend to and harvest food on a production farm

COOK plan, prepare, serve and share snacks and meals

CARE for goats, chickens, pigs, sheep, a cow and a horse

CREATE craft in nature and learn homesteading skills like cheesemaking

EXPLORE the diverse ecosystem and learn about wilderness firsthand

PLAY storytelling, bonfires, capture the flag and talent shows
