Learners are empowered when they:

Experience meaningful and authentic learning experiences that require

- **Critical thinking**
- **Curious exploration**
- **Creative expression**
- **Collaborative interaction**

Become **Global Thinkers** who

- Appreciate diversity
- Participate as responsible digital citizens
- See the world as their classroom

Experience **personal growth** through

- Meeting or exceeding relevant learning goals
- Being challenged with tailored instruction
- Accepting responsibility and accountability for their learning
- Having voice and choice in their learning opportunities

Feel **supported by staff, families and the community** who

- Collaborate and communicate effectively
- Ensure essential resources are provided
- Serve as positive role models and lifelong learners
- Work together with passion and commitment to continuously improve the learning environment

Core Values

Table	Table	Table	Table	Table
