CLASSES FOR GRADES 7-8: Enrichment

Babysitting Class, Grade 5-8 Period 2 (Lab fee \$20) (Please note: This class has expanded grade levels)

This class is designed to teach babysitting, leadership skills and basic first aid skills in a fun and informative way. Students will know how to care for infants, toddlers and older children through video, workbook activities, discussion, and role play.

Caudill Book Club, Grade 5-8 Period 1 & 2 (Lab fee \$10) (Please note: This class has expanded grade levels)

If you enjoy reading award-winning books, having discussions about your reading with friends, and using technology, look no further than Book Club Class! We will read a 2018 Rebecca Caudill nominee novel together, discuss the story, and use different types of technology to create different projects about the novel. When we've finished the book you will create your own book trailer!

Crafting with Wood, Grade 5-8 Period 3 (Lab fee \$20) (please note: This class has expanded grade levels)

Working with wood has never been so fun! The students will make, paint and stain a variety of projects. Experience with a hammer is NOT required. **PLEASE NOTE: This is not the woodworking class that is taught at NBJH.**

Discovering Healthy Eating, Grade 5-8 Period 1 & Period 3 (Lab fee \$15.00)

(please note: These classes have expanded grade levels)

In this new spin on a cooking class, students will work with recipes from the first step to the last. Students will be researching the health benefits of a variety of ingredients, seeking out recipes, making shopping lists, and preparing their creations in small groups over the course of a week. The emphasis of this class will be on the benefits of healthy foods, sharing this knowledge with others and less on preparing recipes.

Jewelry Making, Grade 5-8 Period 4* (Lab fee \$20) (please note: This class has expanded grade levels)

Learn how to make bracelets, anklets, earrings and necklaces using different threading techniques. Each week will focus on a different piece of jewelry.

Math Games, Grade 7-8 Period 2

Need to brush up, catch up or keep up on math skills? Then Math Minds is just for you!! Review math concepts and skills through individualized instruction, games, and lots of fun hands-on activities. This class is great for students who need a little extra practice over the summer. We will focus on concepts learned throughout the school year and students will gain confidence and a greater love for math all while having fun learning!

Photoshop Elements and Digital Photography, Grade 5-8 Period 1 (Lab fee \$10)

(Please note: This class has expanded grade levels)

Learn the basics of digital photography and take better photos with your device or camera. Learn how to use the tools in Photoshop software to edit digital photos and create unique digital art in an amazing way!

CLASSES FOR GRADES 7-8: Enrichment continued

Put on a Play, Grade 5-8 Period 2 (Please note: This class has expanded grade levels)

Students will use the summer school session to work on basic acting skills, and then apply those skills as they rehearse and perform a play for the last day of class. The class exposes students to the dramatic process and gives them an opportunity to apply what they've learned to a final project. ***The students who are enrolled in this class will need to be available to perform with the class the last week of summer school.***

Scrapbooking, Grade 5-8 Period 3 (Lab fee: 20.00) (Please note: This class has expanded grade levels)

Learn to put together a fun, creative scrapbook by decorating pages with your own photos! Students will learn how to cut pictures into unique shapes, write in creative ways, and organize in an unforgettable way! (Start collecting pictures now for two scrapbooks.)

Time for Tech, Grade 7-8 Period 4

Do you love using technology? Come join us for some screen-based learning and fun! This is the perfect class for the student who loves technology, being creative, and trying out new learning resources and skills. We will use technology tools such as iPads and computers to learn lots of different things from creating projects, using new tools, and learning.

CLASSES FOR GRADES 7-8: Athletic

Boys' Basketball, Grade 7-8 Period 1*
